SPECIFIC REASONS FOR CONCLUDING THAT THE

Summary of Revisions

The Florida Board of Governors and the Florida State Legislature (Chapters 2009-60, 2009-81 and 2009-98, L.O.F.) established 2009-10 FY undergraduate tuition and except as otherwise provided by law, authorized tuition and fees for graduate and professional programs, and out-of-state fees for all programs to be established pursuant to § 1009.24, F.S.

The University of South Florida system must exercise this authority immediately to plan its budget and set tuition and fees, effective fall 2009. An emergency regulation is necessary to accomplish this and to ensure that the current tuition and fee information is available to students. The USF system will proceed immediately with the adoption of the permanent regulation.

The USF system has complied with all emergency regulation-making procedures required by the Florida Board of Governors Regulation Development Procedure, including this “Notice of Emergency Regulation” (effective 6-25-09) published on the USF system General Counsel webpage, giving notice to the public and all concerned parties. On May 20, 2009, the USF Board of Trustees approved the revisions to the tuition and fee schedule incorporated in Emergency Regulation USF ER4.0102-09, Tuition and Fees.
