OFFICE OF THE GENERAL COUNSEL: USF REGULATIONS

NOTICE: EMERGENCY REGULATION  DATE: JUNE 29, 2010

| No: USF ER4.0102-10 | TITLE: Tuition and Fees |

SPECIFIC REASONS FOR CONCLUDING THAT THE EMERGENCY PROCEDURE USED IN ADOPTING THIS REGULATION IS FAIR UNDER THE CIRCUMSTANCES:

Summary

The Florida State Legislature (Chapters 2010-78, 2010-152 and 2010-155, L.O.F.) approved an 8 percent increase in the base undergraduate tuition and adjustments to certain fees for the 2010-11 FY. Tuition and fees for graduate and professional programs, and out-of-state fees for all programs are to be established pursuant to § 1009.24, F.S. The Florida Board of Governors has authorized University Boards of Trustees to submit tuition proposals for the 2010-11 FY.

The University of South Florida System must exercise this authority immediately to plan its budget and set tuition and fees, effective fall 2010. An emergency regulation is necessary to accomplish this and to ensure that the current tuition and fee information is available to students. The USF System will proceed immediately with the adoption of an identical permanent regulation.

The USF System has complied with all emergency regulation-making procedures required by the Florida Board of Governors Regulation Development Procedure, including this “Notice of Emergency Regulation” (effective 6-29-10) published on the USF System General Counsel webpage, giving notice to the public and all concerned parties. On June 15, 2010, the USF Board of Trustees approved the amendments to the tuition and fee schedule incorporated in Emergency Regulation USF ER4.0102-10, Tuition and Fees.
