Notice: Proposed Regulation Repeal

Regulation No: 3.0015 (Repeal)  Title: Academic Dishonesty & Disruption

Summary:

The Florida Board of Governors Regulation Development Procedure requires a university to monitor the effects of new regulations and periodically review existing regulations to ensure they are current and consistent. Regulation USF 3.0015 combines academic dishonesty and disruption procedures. However, the University has determined that each violation must be managed separately to set guidelines that clearly state the expectations and the intentions of the University, faculty and students.

Therefore, to more effectively define, administer and enforce these two separate academic processes the University proposes to repeal Regulation (3.0015) and adopt two separate regulations—Disruption of Academic Process (3.025) and Academic Integrity of Students (3.026).

These proposed regulations are posted on the proposed regulations website or may be obtained by contacting the Agency Clerk listed below.
