NOTICE:   PROPOSED REPEALED REGULATION

DATE:    April 26, 2012

Regulation No: USF3.011     Title: Graduate School Requirements

Summary:

Florida Board of Governors Regulation 1.001 provides that “Each board of trustees is authorized to promulgate university regulations in accordance with the Regulation Development Procedure adopted by the Board of Governors,” (7-21-05). Such regulations must be consistent with law, and the regulations and strategic plan of the Board of Governors. The Regulation Development Procedure requires that the University Board of Trustees periodically review existing regulations to ensure they are current and consistent.

Regulation USF3.011 is outdated and redundant and recommended for repeal. USF has the required regulations in place referencing graduate admissions (USF3.008) and standards for awarding degrees (USF3.009) as required by the Board of Governors. Full text of the Regulation follows.
