

OFFICE OF THE GENERAL COUNSEL: USF REGULATIONS

NOTICE OF REGULATION REPEAL

DATE: OCTOBER 13, 2008

Regulation No: USF 3.023	TITLE: Student Exchange Programs
---------------------------------	---

Summary:

The Florida Board of Governors Regulation Development Procedure calls for a university to monitor the effects of new regulations and periodically review existing regulations to ensure they are current and consistent. In accordance with this requirement, USF proposes the repeal of Regulation USF 3.023, Student Exchange Programs, which is out-of-date. USF revised and adopted policy No. 10-043, Student Exchange Programs (2/27/06) ([HTTP://GENERALCOUNSEL.USF.EDU/POLICIES-AND-PROCEDURES/PDFS/POLICY-10-043.PDF](http://GENERALCOUNSEL.USF.EDU/POLICIES-AND-PROCEDURES/PDFS/POLICY-10-043.PDF)). Policy 10-043 outlines the University's policy on exchange programs. Therefore, this regulation is not necessary and will be repealed effective November 10, 2008.

Proposed for Repeal: Regulation: USF3.023

Subject: student exchange programs

(1) The University of South Florida has exchange programs which involve students at the university and students in institutions of higher learning, either within or without the state, which are not in the State University System as follows:

(a) Plan A - The out-going USF student pays to USF a fee which covers the cost of his/her full time registration while on exchange. Full time registration is calculated as 2 credits minus health fees plus 10 credits minus bond and trust fees. The former is used to pay for actual course registration, while the latter goes to the university miscellaneous account. The student is also charged an amount sufficient to cover the cost of a double room and a 20 meal plan for the incoming exchange student as well as for administrative costs involved in running the overall international student exchange program. In this plan, the USF student does not pay for registration, room, or meal plan to the other institution while on

exchange. Likewise, visiting students will pay fees to his/her home institution but will not pay for registration, room, or meal plan to USF. Registration fees for those students are waived, and the International Student Exchange Office pays the Division of Housing and Food Services for the room and meal plan from the funds paid by the outgoing students.

(b) Plan B - The out-going student pays the same registration and administrative costs as outlined above but pays for housing and meal plan at the exchange school. The visiting student does not pay for registration fees here since they are waived but does pay for his/her room and meal plan.
