A. For all Programs except the Doctor of Medicine (MD), and the Doctor of Physical Therapy (DPT), the Physician Assistant (MPAS), and the Doctor of Pharmacy (PharmD) Programs—Tuition and fees must be paid by the close of the drop/add period to avoid assessment of a $100.00 Late Payment Fee unless appropriate arrangements for payment of tuition and fees have been made in accordance with subsection (3) of this regulation. Determination will be based on review of a completed Late Payment Fee Waiver Request Form, found on the University Controller’s Office website Rev. 01/92, (form may be obtained from the Cashier’s Office) submitted by the student to the Cashier’s Office. Students may request a waiver of the $100.00 Late Payment Fee for one of the five following reasons:

The student is expected to make semi-annual payments by the designated due dates, unless appropriate arrangements for payment have been made in accordance with subsection (3) of this regulation, i.e. deferment. Failure to make payments as prescribed will result in cancellation of a student from the scheduled courses; the student will receive no credit for any course work, and will be prohibited from attending classes. A student who has received an incomplete grade will be given the opportunity to complete the course by a specified date during the succeeding academic year. A student who takes advantage of this opportunity will not be assessed additional tuition and fees.
