**Date Last Reviewed:** 6-~~27~~22-

(1) Administration and Staff employees receive paid and unpaid leave, and USF system-designated holidays. They may also participate in insurance programs, retirement and other benefits as provided for in Florida law and/or through USF system- approved programs. Benefits and hours of work requirements will be administered consistent with this Regulation, and any applicable federal or Florida law.

(2)(a) With the exception of Postdoctoral appointments and medical residents, Temporary employees are not eligible for benefits unless specifically provided for in these Regulations or required by an applicable federal or Florida law. Postdoctoral benefits and employment are subject to the USF system “Guide for Postdoctoral Scholars.” Benefits available for medical residents are contained in individual offer letters and/or other applicable documents required by the Accreditation Council for Graduate Medical Education (ACGME). Medical residents are temporary employees of the USF system; however, the remainder of this Regulation is applicable to them only to the extent that it does not conflict with ACGME requirements, processes and procedures.

(b) Temporary employees are eligible for unpaid leave, in accordance with any applicable federal or Florida law.

(c) Non-exempt Temporary employees are eligible for overtime compensation for work beyond forty (40) hours in an approved workweek.

(d) Exempt Temporary employees are eligible to be paid for USF system-designated holidays that fall within the period of their appointment proportionate to the time in pay status.

(e) Temporary employees are eligible to participate in tax sheltered annuities and deferred compensation programs offered by the USF system.

(3) Each employee is expected to work the number of hours in the employee’s established workweek unless on approved leave. Benefits will be provided proportionate to the time in pay status in accordance with these Regulations.

**(4)** The minimum workweek is forty (40) hours for full-time employees. Holiday pay, up to a maximum of twelve (12) hours per holiday (based on the number of hours the employee is normally scheduled to work on that day) and paid leave are not considered overtime and are paid at the employee's regular pay rate. Approved leave will be adjusted to ensure an employee's workweek will not exceed forty (40) hours.

**(5)** Compensatory leave will consist of the following types and such unused leave will be transferred or paid in accordance with these Regulations.

**(a)** Overtime compensatory leave is provided in lieu of payment for overtime for non-exempt Staff and non-exempt Administration employees at the rate of one and one half times the total hours worked beyond forty (40) in the workweek.

1. Overtime will normally be paid no later than the end of the following pay period, unless accrued as overtime compensatory leave.
2. If an employee changes departments or class title, unused overtime compensatory leave will be transferred or paid.

**(b)** Regular compensatory leave may be provided to a Staff exempt employee for work beyond forty (40) hours in the workweek on an hour-for-hour basis in accordance with the approved pay plan. The transfer or payment for unused regular compensatory leave will be in accordance with the approved pay plan.

**(c)** Special compensatory leave is provided to Staff and non-exempt Administration employees as follows:

1. Special compensatory leave is provided to compensate an employee for an official holiday, as designated by the USF system when:
  - a. The employee observed the holiday and also worked forty (40) hours the week during, which the holiday occurred;
  - b. The holiday falls on the employee's regularly scheduled day off; or
  - c. The employee is required to work the holiday.
2. Special compensatory leave is provided to compensate an employee for administrative leave for jury duty or court appearance provided in Section (17)(a) and (b) below when the employee also worked forty (40) hours the week during which the jury duty or court appearance occurred.
3. Special compensatory leave is provided to employees required to perform essential duties during an emergency closing for the hours worked during the closing.

4. Special compensatory leave is provided to employees required to perform essential duties for hours worked outside of their normal work schedule to prepare for or respond to a declared University emergency, as determined by the Chief Administrative Officer or designee.
  5. The Chief Administrative Officer (“CAO”) may elect to pay an employee for a part of or all accrued special compensatory leave at any time. If the employee separates from the USF system, the employee will be paid for all unused special compensatory leave at the employee’s regular rate of pay.
- (d) Special compensatory leave is provided to exempt Administration employees to compensate for an official USF system-designated holiday when the holiday falls on the employee’s regularly scheduled day off or the employee is required to work the holiday.
- (6) An employee, other than a non-exempt Temporary employee, must be in pay status either by having worked or used leave at least a portion of their last scheduled day before a holiday to be paid for all holidays designated by the USF system or Florida law.
  - (7) Annual and/or sick leave will be accrued while in pay status in accordance with these Regulations. Leave will be credited at the end of the pay period in which it is earned, or in the case of separation, on the last day the employee is on the payroll. Leave may not be used in the pay period in which it is earned.
  - (8) During approved unpaid leave for parental, foster care, medical, or military reasons, an employee may intermittently use accrued leave to continue the contributions to State benefits and other expenses.
  - (9) Unless agreed otherwise, an employee will be employed in the same or similar status upon completion of the approved leave period. While on paid leave, an employee may not be employed elsewhere unless the requirements for outside activity and/or extra or dual compensation have been met.
  - (10) The USF system may establish reciprocal agreements with other government entities for the transfer of accrued sick leave and accrued annual leave. Such agreements must be in writing and consistent with applicable Florida law.
  - (11) The USF system will withhold any payment due to an employee upon separation from employment for accrued sick leave or accrued annual leave unless and until all property of the USF system in the custody or control of the employee is returned or properly accounted for.
  - (12) Sick leave accrual for full-time employees will be as follows with proportionate accrual for less than full-time.

<b>Hours Accrued During Pay Period</b>

An employee who was hired on or after January 1, 2014 or who has less than ten (10) years of continuous service in an established position at the time of separation will not be paid for any unused sick leave and such leave shall be forfeited.

**(e)** The CAO will approve continuation and/or modification of the current sick leave pool program when determined to be in the USF system's best interests.

**(13)** Annual leave for full-time employees will be as follows with proportionate accrual for less than full-time employment. An employee appointed for fewer than ten (10) months does not accrue annual leave. Hours of accrual for Staff employees are based on years of creditable service and such

service will be awarded as one month of service credit for each calendar month that the employee is on the salaried (non-Temporary) payroll of the USF system or during authorized unpaid leave.

Upon entering into the Deferred Retirement Optional Program (DROP), employees may elect to be paid up to the year- end maximum of their unused accrued annual leave. Faculty, Administration, and Staff employees may use accrued paid leave for an FMLA event and the use of such leave will be counted toward the FMLA entitlement. Leave for Temporary employees under the FMLA is unpaid leave and such unpaid FMLA leave will only be granted through the end of the established appointment period or twelve (12) weeks, whichever occurs first.

**(16)** Employees will be provided with up to six (6) months unpaid parental leave unless the employee already has an established end date prior to that period of time. - (a) Administrative leave for jury duty will not cause an employee's total number of hours to exceed the number of hours in the employee's normal workday or workweek. If jury duty does not require absence for the entire workday, the employee will return to work immediately upon release by the court.
