(1) Any student who chooses or is required to live in University of South Florida System (USF System) housing shall be required to enter into a housing contract for the academic year during which they propose to reside in the residence halls. The University housing contract is a binding contract in which the University promises to provide University housing to the student, and the student promises to pay for such housing, and abide by the contract provisions and all University rules, regulations and policies.

(2) First year undergraduate students enrolled as full time students will be required to live in on-campus housing as defined by each USF System institution guidelines. This requirement is applied to all incoming students classified as first time in college or those transfers entering USF with 30 or less college credits post high school graduation.

(3) All students residing in on-campus housing will be required to show proof of compliance with University Immunization Policy No. 33-002, including the immunization for Meningitis and the waiver/immunization requirement for Hepatitis B.

(4) Campuses may have housing regulations and administrative offices unique to those campuses. Students, faculty and staff must check with their individual campuses and must apply University-wide rules, regulations and policies in conjunction and consistent with the unique characteristics and specific guidelines as established on those campuses.
